[When COVID-19 Meets the Existing
Pandemic of Gender-Based
Violence in Canada: National Survey
of GBV Service Providers and
Volunteers](#)

Reach out if you are interested in collaborating on research on GBV and COVID. We are especially interested in research focused on sexual violence supports.

Reach out if you are interested in collaborating on research related to GBV and COVID, including on VAW shelters, sexual violence supports and GBV prevention.

Lori Weeks, PhD
Professor
Dalhousie University

lori.weeks@dal.ca

[What initiatives have been created
to meet the needs of women
experiencing domestic violence
during COVID-19?](#)

Our team is also conducting a systematic review of research on initiatives that can support women during COVID and women living in rural and remote places (e.g. Technology – mediated supports)

Krys Maki, PhD
(they/them)
Research and Policy Manager
Women's Shelters Canada

kmaki@endvaw.ca

[Shelter Voices: The Impact of
COVID-19 on VAW Shelters and
Transition Houses](#)

Contact Leah Stuart-Sheppard, Knowledge Exchange Coordinator at leah@endvaw.ca if interested in learning more about knowledge sharing opportunities.
